

Build the Habit of Good Attendance Early!

Did you know...

Missing just 1 or 2 days a month makes it hard for students to:

- Gain and retain reading and math skills
- Build meaningful relationships
- Develop life and work habits
- Feel positively about school and themselves

**Attend Today,
Achieve Tomorrow!**

Showing up on time, every day is important to your child's success and learning.

What you can do...

Set a regular bedtime and morning routine	Lay out clothes and pack backpacks the night before	Use the school calendar in your family planning
Talk about and celebrate school everyday	Keep up to date with school communication	Create a routine for practice and learning at home

Start the school year off right!

- Generate excitement by doing a countdown until the 1st day of school.
- Attend open house with your child to meet teachers and classmates.
- Read the school handbook for health and safety procedures.
- Ask for resources to continue learning at home when needed.
- Have a backup plan for getting to school such as family members, neighbors or another parent.
- If your child seems anxious about school talk to your teacher, doctor or other parents for advice.

Attendance Target 0-5 absences/year	Some Risk 6-11 absences/year	At Risk 12+ absences/year
