Middle School Coaches and Athletic Directors:

Attached is a schedule of events for the Minot Middle School boys' and girls' track meets. The girls division will be held on Monday, April 29th and the boys' on Monday, May 6th beginning with field events at 10:30 AM and running events at 11:00 AM. Both meets will be held at Duane Carlson Stadium located at 1000 6th Street SW.

The meets will consist of 7th and 8th grade divisions only. We ask that each event is composed entirely of boys or girls from those grade levels. Ribbons will be awarded to the top 8 place finishers in each division. The number of entries each school may have per event is unlimited. Due to the large number of entries, everything will be timed finals. Heats will be determined at the starting line with the goals of getting the faster athletes in the same heat.

The meets will be run in accordance with all NFHS rules and NDHSAA regulations. No pin spikes or spikes longer than ¼ inch will be allowed. We are asking all relay teams to use tennis balls to mark their zones to eliminate any and all use of tape on our track surface. This includes the jumping areas, so please plan accordingly. We will allow 1 relay team per grade level in each division.

The cost of each meet for each school will be \$50 per division. Please make checks payable to Minot Public Schools and return the payment as soon as possible. Payments can be sent to:
