

Huskies Hope

Grant Program

In support of truly wonderful teachers and staff members, our PAC will make a tradition of filling wishes. We ask that your wish be used to help enrich or provide something special for a grade level, department or Horizon Middle School. Determinations of the wish list will be provide to the PAC by the school administration following the guideline that the items on the list will provide support for students' educational and recreational needs. Let imagination fill your classrooms and our school!

PAC will budget a maximum amount of \$5,000 annually based on available funds for the 2018-19 school year. Receipts are required for every request of hope that is fulfilled.

Huskies Hope Process

1. Teachers or teaching groups submit application including the following information:
 - Project/purchase explanation
 - Items requested
 - Costs expected
 - Timeline of project
 - Description of learning targets met with project
2. School administration will review and present eligible applications to PAC.
3. PAC members will review applications. Priority will be based on the following:
 - Request of Hope must benefit or enhance student learning through educational, social, comfort, organization or other means.
 - Number of students impacted by the Request of Hope.
 - Funds available for the program.
4. Approved Requests of Hope will be granted.

Any items purchased become property of Horizon Middle School and the department for which the Request of Hope was granted.

Applications will be accepted until the November PAC meeting.
