BHS/CHS PLAN ALL-SCHOOL 20 YEAR REUNION

Proceeds to benefit Bismarck Public Schools Family Assistance

[April 13, 2022] The classes of 2002 are setting aside the rivalries, to join forces in planning a 20 year all-school reunion. After nearly 2 years of social distancing, restricted travel, and many other limitations; the planning committee is hopeful that this year's reunion will not only provide an opportunity for classmates to reconnect, but will also be a chance for the class of 2002 to pay it forward in the community.

The reunion is scheduled for Friday, July 15 and Saturday, July 16th. The weekend's events are focused on supporting the small businesses of the community. Further, all proceeds after expenses are covered, will go directly to support the Bismarck Public Schools Family Assistance Fund.

The BPS Family Assistance Fund was developed to help meet the basic needs of families that are not being met with existing resources. More information can be found at <https://www.bpsfoundation.com/>.

Reunion details and registration information can be found at www.bismarckallschool2002.com or on Facebook at www.facebook.com/bismarckallschool2002.

Please help spread the word to any class of 2002 graduates!
